<p><b>EXPECTATIONS</b></p>	<p>Remind yourself of the subject expectations and the syllabus by watching the Subject Video on the school website: <a href="https://sixthform.fulford.york.sch.uk/curriculum-offer/">https://sixthform.fulford.york.sch.uk/curriculum-offer/</a></p>
<p><b>PURCHASE</b></p> 	<p>Having some good materials at home is a good step towards creating quality work from home. We recommend having a small selection of quality <b>brushes</b>, drawings <b>pencils</b>, <b>rubbers</b> and <b>sharpeners</b> as a starting point. Whilst these are not essential for success, it might help you when doing some of your artwork at home.</p>
<p><b>REVIEW</b></p> 	<p>The assessment objectives at A-level are the same as GCSE. Please review what these are in order to hit the ground running in September.</p> <p>A01 – Research, artists, craftspeople to give your ideas a context  A02 – Experimentation and refinement of media use  A03 – Drawing, annotation and photography  A04 – personal responses and outcomes</p> <p>Each of these will be taught and addressed within the course structure. Whilst they are the same in format, the way students respond to them is of a higher order given the level of the course.</p>

<p><b>COMPLETE</b></p> 	<p>Visit at least one Art Gallery between June and September 2023 – York, Leeds, Manchester...where else might you be going? Who is exhibiting there? What kind of art do they make? Take some photographs of the artworks. Which are your favourite? Which do you actively dislike?</p> <p><b>TASK:</b>  From your visit, establish an artist you particularly liked. Create one piece of artwork (any medium – any size) which is loosely in the style of the artist you have chosen from your visit. It could be a painter, sculptor, mixed media anything you like.</p>
