

BIOLOGY

EXPECTATIONS	Remind yourself of the subject expectations and the syllabus by watching the Subject Video on the school website: https://sixthform.fulford.york.sch.uk/curriculum-offer/
PURCHASE 	Year 12: AQA Biology (2 nd Edition) A level Year 1 and AS (by G. & S. Toole): ISBN:978-0198351764 Year 13: AQA Biology (2 nd Edition) A level Year 2 (by G. & S. Toole): ISBN:978-0198357704 Alternatively: One text book with both Year 1 and Year 2: AQA Biology A level: ISBN:978-0198351771
REVIEW 	Review your knowledge of the AQA Biology GCSE course, which covers the fundamental topics of many areas we study during the A level course. Two recommended sources are: AQA GCSE Biology Specification: https://filestore.aqa.org.uk/resources/biology/specifications/AQA-8461-SP-2016.PDF . Identify areas of the course that you need to revise from reading this; pay attention to the wording of the specification. Twinkl knowledge organiser sheets. B1 – B7 summary sheets may help with revision of areas identified from reading the above GCSE specification. https://drive.google.com/drive/folders/18hwpLJh9vL9zVzIJ2ehEd-Vyrt3-X?usp=sharing
READ 	A reading list is attached, which gives some titles of books that our Biology teachers, and previous A level Biology students, have enjoyed. Please note that we are not expecting you to purchase any of these books, but are sharing them in case they appeal to any current interests that you have. Reading an on-line synopsis of a book that interests you, can be useful before you buy one. We would welcome feedback on any books you read, as well as knowing how they have further developed your scientific understanding. https://docs.google.com/document/d/12NBpqFyKOVQOCuG-E_p7h63mrSeRJeGb/edit?usp=sharing&oid=105628626578633359393&rtpof=true&sd=true
WATCH/LISTEN 	Watch this video for an introduction to the A level Biology course at Fulford School, using this link: https://www.youtube.com/watch?v=jh2fGKr7kHg
COMPLETE 	PiXL Gateway transition workbook for Biology to be completed: https://docs.google.com/document/d/10L2FOyhX2mwoK75-nZxAh6EEJ0hwXmSk/edit?usp=sharing&oid=105628626578633359393&rtpof=true&sd=true Key recall activity on How Science Works key terms to be completed and final table on attached document filled out as evidence. https://docs.google.com/document/d/12wJ3IX7w89Fwz2XPSdFJxmAMXqEuzzwT/edit?usp=sharing&oid=105628626578633359393&rtpof=true&sd=true
